“ Second Annual Andrew's Army Classic “

Dear Friends and Family ,

I am enclosing the updated brochure for the 2nd Annual Andrew's Army Golf Classic to be held at the Redding Country Club this Sept.29th .

Last year's event was a great success and we were able to raise a great deal of money for **Neuroblastoma research in Dr John Maris' lab at Childrens' Hospital of Philadelphia**. Already, as the brochure will tell you there has been substantial progress.

I am sending this email for two reasons. Knowing that many of you are not golfers ,please know that we would love to see you at the dinner and cocktails portion of the program. For those of you who live far away or are otherwise unable to attend there is still ample opportunity to support Andrew's Army. The contact info is in the brochure or if you have any questions at all please just let me know, or email Maura Mitarotonda at [mrm64@optonline.net](mailto:mrm64@optonline.net)

Please do not hesitate to forward this email to any of your own friends or family that you think might be able to help us help these kids this September.

Thanks a million !!

Best ,

Dr Frank Accardi
